

# Affidavit Of Publication News And Observer Julia Frances Currin

Select Download Format:

Unintentional Deaths usually fall into two categories: (1) deaths that occur as a result of a person's negligence, and (2) deaths that occur as a result of a person's intentional act. In the first case, the person who caused the death is usually held liable for the death. In the second case, the person who caused the death is usually held liable for the death.
