

How Much Notice Do You Have To Give Landlord

How much notice will you have to give your landlord? This is a common question for many people who are looking for a new home. The answer depends on a number of factors, including the state you live in, the type of lease you have, and the length of time you have been living in the property. In general, you will need to give your landlord at least 30 days notice, but this can vary. It is important to check your local laws and your lease agreement to make sure you are giving the correct amount of notice.
